

GREENSTONE POINT

2014 Pinot Gris

VITICULTURE

The Greenstone Point 2014 Pinot Gris was produced from grapes grown on our Mackenzie's Road vineyard in the Waipara Valley, North Canterbury.

WINEMAKING

The fruit was machine harvested in excellent condition and gently pressed prior to settling. A portion went to barrel for a period of four months and was then blended with tank portions, lightly fined and bottled.

TASTING NOTES

The Greenstone Point 2014 Pinot Gris has light lychee, pear and peach aromas with a slight hint of toastiness. The palate is rich and refreshing with lovely balance and length in the finish.

Analysis at Bottling:

3.52 pH
6.0 g/l Total Acid
12.5 % Alcohol
5.0 g/l Residual Sugar
