

# GREENSTONE POINT

## 2014 Chardonnay

### VITICULTURE

The Greenstone Point 2014 Chardonnay was select picked from our Glasnevin and Stirling vineyards in Waipara, North Canterbury.

### WINEMAKING

The fruit was machine harvested in excellent condition in mid April. After a gentle pressing the juice was settled and racked to stainless tank (80%) and barrel (20%) for an indigenous fermentation. On completion of fermentation the wine was left in contact with the yeast lees for a further 3 months to help build structure and texture in the mid palate. The wine was then lightly fined, filtered and bottled.

### TASTING NOTES

The Greenstone Point 2014 Chardonnay shows ripe pear and spice aromatics with a hint of oak, leading on to a full flavoured and balanced palate. A wine to be enjoyed on most occasions.

Analysis at Bottling:

3.45 pH
7.4 g/l Total Acid
13.5% Alcohol
1.5 g/l Residual Sugar
